

Peta has extensive experience in live performance, professional recording & production. Peta plays guitar, keyboards, and percussive instruments. As a talented songstress, she has also performed tributes to Cher & Tina Turner, and now in Gypsy as Stevie Nicks.

Michael is famous for his accomplished musical arrangements. He has extensive recording/production experience and has established the now famous NZ band High Revving Tongues. With a Gold Disc award to his credit he has also supported John Farnham. Mike has been the driving force behind Max T and now Gypsy.

Anita is the perfect Christine McVie. Vocally she is a sound and look alike for the world famous songstress! Anita has drawn on her history of acting and music to portray this most exacting role. Harmonies are Anita's forte, which play such an important part in Fleetwood Mac songs. Anita's experience in past bands such as Teachers Pets and Skoolz Out, have seen her connect with some of Australia's finest musicians. Since 2008, Anita has been the driving force and producer of the very successful Wrokdwn TV and Radio productions.

The role of drummer in Gypsy, requires flamboyance and expertise to tribute Mick Fleetwood. Gerard delivers the unique sound and showmanship and a wealth of experience. An original member of legendary show band "Yesterdays Heroes". Gerard is the quintessential, Mick Fleetwood.

As Lindsay Buckingham, Steve presents the visual/vocal dynamic, and definitive edge with his presentation. Great harmonies and stage presence, bring the charisma and the Fleetwood Mac trademark to life. Having a wealth of experience as an entertainer/guitarist, Steve delivers the Lindsay energy!
