Cool Change- Little River Band cover

Our Venue Milanos held the inaugural Cool Change show on Friday 19 August 2016.

I firstly must pay tribute to the band for putting on such a great show, the full house were entertained from the opening number throughout the evening, reliving the classic hits of Little River Band.

I have been involved with entertainment in the hospitality industry some 28years and have seen countless acts over my time and Cool Change rank up there with some of the best.

I would highly recommend any venue looking for an act to entertain and please their customer's cannot go past Cool Change, they will only enhance your venues reputation as a serious entertainment venue.

I will certainly be booking Cool Change for 2017 calendar of events, without doubt.

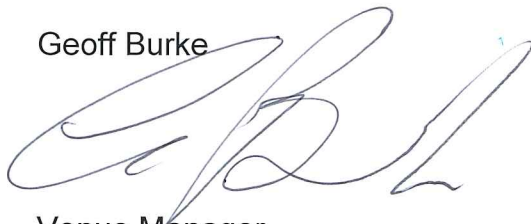

We have received fantastic feedback from so many customers who attended the evening with rave reviews, testament to great dinner, service and performance from the boys.

Any venue considering this show and would like to discuss my recommendation of Cool Change can certainly feel free to contact me on 9592 3555

Thank you to Paul and Peter at AES and of course Cool Change for such a memorable show.

Kindest Regards
